BANBURY CROSS AND OTHER NURSERY RHYMES ILLUSTRATED BY ALICE B WOODWARD THE BANBURY CROSS SERIES EBOOKS 2019

Author: Grace Rhys

Realese Date: Lanzamiento previsto: @@expectedReleaseDate@@

The Banbury Cross Series was a collection of 12 volumes of books edited by Grace Rhys and published in London by Dent in the 1890s. Each book is attractively illustrated with full page and partial page pen and ink drawings in a classic Art Nouveau style by leading artists of the era. This title collates Banbury Cross with many other familiar nursery rhymes that will delight young and old alike. Alice B. Woodward's black and white illustrations of sweet children and quaint, idyllic scenes are a wonderful match for these timeless poems. Many of the earliest children's books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Pook Press are working to republish these classic works in affordable, high quality editions, using the original text and artwork so these works can delight another generation of children.
