Author: Leela Hope

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

Bert the Squirt is a sad and lonely dragon. He is different to the other dragons at school, they all shoot fire and he shoots water. One day he meets Faye, a little fiery dragon who said she was once bullied too. She stopped the bullies because she learnt that she was perfect the way she was and they couldn't get to her anymore. Suddenly disaster strikes. The dragon school is on fire. No one knows what to do, except of course for Bert. Being the only dragon that can shoot water, he saves the day and puts out the fire. It turns out that it was the bully who started the fire and now Bert is the hero. He also learns an important lesson, that being different isn't bad and that he is perfect the way he is.
