"In which class are you travelling?" What a common question! Let me put it to you. You most certainly are travelling from time into eternity, and who knows how very, very near you may be this moment to the great terminus? "Which class are you travelling?" There are only three. Let me describe them so you may put yourself to the test in the presence of "Him with whom we have to do." 1st Class: Those who are saved and who know it. 2nd Class: Those who are unsure of salvation, but are eager to be sure. 3rd Class: Those who are unsaved and totally indifferent about it. Again I repeat my question: "Which class are you travelling?" Oh, the madness of indifference, when eternal issues are at stake!
