[Siren Everlasting Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, werewolves, HEA] Darcy is a worrier, a pessimist, and overanalyzes everything until the subject dies a slow and painful death...and then he worries some more. When he and his brother, Sterling, find their way to Brac Village, Darcy thinks the place is just too perfect. Something is off, and Darcy is determined to find out what that something is. Raven, the oldest of four brothers, has found his mate. Being raised by a prejudiced, homophobic jerk doesn't deter Raven from wanting Darcy in the worst sort of way. From the moment he sets eyes on Darcy, Raven can think of nothing more than drinking from his mate's vein. He just wasn't certain if that was normal. When a motley crew of shifters shows up in Brac Village, seeking protection, trouble isn't too far behind them. And when Darcy's younger brother is attacked, Darcy grabs Sterling and heads out of town as quickly as his feet will carry him. But can he leave knowing his heart is chained to Raven? Can he walk away from the best thing to ever happen to him? When Darcy discovers Tate's Resource Center, he also finds out what he is truly running from. ** A Siren Erotic Romance
