In this final installment of his 4 series we get to see Na'shon (under his writing alias of NSK u0026amp; Tunoré East) pour the last remaining contents of love he held; out into several memorable poems. With such lines like " I'm the fool that drinks the elixir, knowing the mixture". And other lines such as "I'm Chasing after this image of what I want and need- cuz I can't have the masterpiece; because the masterpiece is afraid of being hurt: and can't acknowledge its worth so it allows itself to be treated like dirt by these fuck boys in duck shorts." In each poem each line and every word you can feel the pain of what feels like a thousand souls crying out for one thing and one thing only. Acceptance.
